Dear Ms. Waugh:

Due to unforeseen circumstances, we are writing to inform you that Tiffany & Co. will no longer carry the Classic Blue china pattern that is included in your registry as of December 31, 2007.

In consideration of this inconvenience and the quantities we have available, we have enclosed a price list of this merchandise if you would like to take the opportunity to add additional pieces or complete your service.

We are sorry to have to relay this disappointing information to you. If you have any questions or if we can be of assistance to you, please call our Wedding and Gift Registry at 212-605-4170.

Sincerely,
